Limpopo Tourism Agency is a schedule 3C PFMA entity established in terms of Section 5 of the Limpopo Tourism Act No.2 of 2009, as repealed, to amongst others promote and offer a sustainable and diverse tourism experience through strategic marketing (destination marketing) and support and facilitate tourism development programmes, collaborations with stakeholders and sector transformation.

Section 66(1) of the Companies Act No.71 of 2008 provides “*the business and affairs of a company must be managed by or under the direction of its Board, which has the authority to exercise all of the powers and perform any of the functions of the company, except to the extent that this Act or the company’s Memorandum of Incorporation provides otherwise*”.

2. BACKGROUND

Kind iv Report in principle 9 provides thus “*The governing body should ensure that the evaluation of its own performance and that of its committees, its chair and its individual members, support continued improvement in its performance and effectiveness*”.

The King iv report further recommends that the Board conducts a formal performance evaluation every two years, and during the alternate year, the Board should schedule in its annual work plan an opportunity to consider, reflect and discuss its performance. The reason for the gap between formal evaluations is to allow the Board sufficient time to address the findings of the previous evaluation.

3. OBJECTIVE

The objective of the Board Performance evaluation is to examine the roles and responsibilities of the Board, the effectiveness of its committees and should go beyond a mere compliance process when conducting a Board Evaluation and should rather undertake a substantive and rigorous review of its performance and efficacy to really identify the core areas that require improvement and whether the Board has a healthy board dynamic.

The Board Performance Evaluation should examine the roles of responsibilities of the Board, the effectiveness of its committees, its relationship with key governance players and overall assess the key areas which impact its effectiveness.

4. SCOPE OF WORK

The following should be assessed: -

The Board as a whole (seven Board members and two non-voting (Chief Executive Officer and Chief Financial Officer)

- The Board assesses its overall performance and identifies its developmental areas.

Committees

- The Committee evaluation allow governing body to evaluate the committee's contribution and effectiveness in fulfilling its mandate as constituted as follows:-
 - ❖ Risk and Audit Committee with four (3) members.
 - ❖ Human Resources & Remunerations Committee with three (3) members.
 - ❖ Destination Marketing Committee with four (4) members.
 - ❖ Contracts Committee with four (4) members.

Individual Board members

- Individual board evaluations provide insights into the competency and engagement levels of each and member of the Board.
- These also include specific evaluations of the Chairperson and Company Secretary.

The area to be covered should in the main include review at high level, the governance aspects of the Board; -

- High level Board evaluation questionnaire - Board assessment.

- Individual Board Peer/ Self-Review questionnaire
